Dear Brothers and Sisters in Christ,

At this time of year when the sound of the fireworks is silent, and the fourth of July is in the rearview mirror, it always seems like summer is on the downslope. I am tempted to get the earmuffs and gloves out of the closet. It's the Midwesterner in me that always feels like winter is just around the corner. But there is still much left to summer and then comes my favorite season, autumn.

In this day and age, when everything costs a family "an arm and a leg," many families look for something inexpensive to do. For families, going to a ballgame costs a good amount for tickets, parking and some refreshments, yet it costs but the price of gas to visit one of the beautiful churches or shrines in our area. We are the recipients of some terrific religious eye candy. Some of our churches are so beautifully decorated that they become stories in themselves. The stained-glass windows usually depict a saint or some aspect of our Lord's life. A visit can be both eye appealing and a religious education.

I have a few suggestions for the rest of the summer. Make a trip to Holy Hill in Hubertus. It's always a great sight, and walking the grounds fills you with a sense of pride. Just seeing that basilica (Our Lady Help of Christians) perched on the top of the hill is one of the wonderful visuals in our territory. Recite the Rosary and walk the stations. Just think of the efforts by so many, prior to modern machinery, who constructed this church. I knew of Holy Hill when I was growing up in Chicago, and it remains a religious attraction for the entire Midwest. A couple of other churches in the area that are also extremely beautiful include The Basilica of St. Josaphat and St. Stanislaus in Milwaukee. They will lift your spirits and move your eyes to the heavenly realms.

With a few weeks of summer left, and a couple of warm fall weeks, there are some beautiful religious sites that families may take advantage of growing in prayer, expanding knowledge and enjoying the privilege of family.

School summer vacation is quickly melting away into the days of a new school year.

Oh, how exciting it was going shopping for those wonderful new school supplies for the first day of school. Remember the excitement of having new crayons; pencils to sharpen, fresh notebooks and untattered folders?

In Kenosha there are numerous children unable to get the supplies needed for the new school year. Beginning July 23rd - August 20th we will be collecting school supplies so these students can experience the "new school year new supply" excitement.

If you are able to help we are seeking:  
boxes of Kleenex,  
alcohol wipes,  
pencils (Ticonderoga brand, please),  
Crayola crayons,  
erasers,  
rulers scissors (left hand too),  
glue sticks,  
pocket folders,  
wide ruled notebooks,  
paper, and markers.

Collection bin is in the back of church beginning today.

Thank you, Your Human Concerns Committee

#### The Way of Saint James

This documentary follows the journey of several pilgrims who differ in culture and religious faith but are united in their journey across the Camino de Santiago. Each of them is traveling toward the shrine of St. James the Apostle, whose feast day we celebrate this week.
