Did You Ever Wonder.....

What was the reason for the Transfiguration?

According to St. Thomas Aquinas, the Transfiguration occurred because the divine glory which was Christ's was allowed for a moment to shine through His human body. He did this so that they could taste for a short time the contemplation of eternal joy, in view of the persecution they would suffer.

What does "transfiguration" mean?

Transfiguration refers to Our Lord's change in appearance from the passable bodily form in which He would suffer and die, to the glorified form in which He would rise from the dead. The Latin root "trans-" means "across" or "through". The root "figura" means "form" or "shape".

When did the Transfiguration happen?

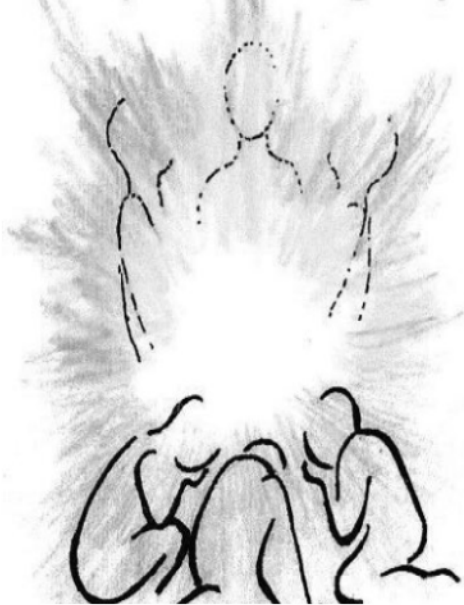

This event happened approximately a week after Jesus and the disciples went to Casarea Philippi, which is where Peter declared that Jesus was "the Christ of God" (Luke 9:20). Regarding the timeline of Gospel events, the Catechism says "On the threshold of the public life, the Baptism; on the threshold of the Passover, the Transfiguration" (CCC). The Transfiguration did not happen immediately before Jesus' Passion but it is believed to be later in His ministry.

Where did the Transfiguration take place?

Although the Gospels only refer to it as a "high mountain", according to tradition it was on Mount Tabor in Israel. Not too far from Nazareth, a Franciscan church commemorates the traditional site, where 4th century and 12th century churches had previously existed.

A Prayer for Parents

Dear God,

Take each parent, and those people who act as parents, into your loving care and grant them safety and a warm and loving heart.

May they teach their children Your way and guide them in the commandments and ways of the Church.

Grant them patience courage, laughter, and perseverance.

May parents remember that they are your representative here on earth and safeguard their children with a tender love and a giving heart.

~Amen
